**What is the Annual Fund?**

- ◆ A yearly fund-raising campaign.
- ◆ The first and most important gift a donor can make to Covenant each year.

**What is the significance of the Annual Fund for Covenant?**

- ◆ Tuition revenue and fees do not cover all of the costs of your child's education.
- ◆ The Annual Fund is *an integral part of the school's operating budget.*
- ◆ This fund will *provide 15—20% of the school's annual revenue.*
- ◆ Support of the Annual Fund *enables advancement and expansion of curricular offerings* for all students (i.e. technology, debate, additional languages, baseball, football, etc.).
- ◆ Additional funds allow for attraction and *retention of top quality instructional staff.*

**Giving Levels**

Donors who make gifts of \$500.00 or more will be honored at the Annual Fund Appreciation Banquet.

Giving Goal Deadlines	
August 31	100% board participation
September 30	100% faculty/staff participation
October 24	<b>**Walk for Education</b>
November 14	<b>**Fall Festival</b>
December 31	100% parent participation
March 31	100% student participation
April 30	<b>**Appreciation Banquet</b>

**Why is parent participation so important?**

- ◆ The Annual Fund participation *measures how strongly Covenant's parents support the school.*
- ◆ When we participate, regardless of the size of the gift, we *demonstrate confidence in our school's mission and education.*
- ◆ A high participation rate from board members, faculty/staff, and alumni will *open opportunities for Covenant to acquire additional funding* from corporations and foundations.
- ◆ Parental support enables us *to keep tuition costs affordable* while maintaining quality.

**How much am I expected to give?**

Only the individual donor can determine what amount is appropriate. The expectation level is that every family will participate at a level comfortable to them. **Consider the value that you place on your child's education.** Your generosity will help to enhance and provide the "extras" that equate to an excellent educational experience.

**How are Annual Fund gifts and fundraiser participation connected?**

Annual Fund gifts are donations made *in addition to participation in all major fundraisers (i.e. Walk for Education, Fall Festival, Appreciation Banquet).* These gifts are a personal sacrifice by each individual to enable Covenant to realize its mission in providing quality academics in an environment where the wisdom of God has preeminence.
