WELCOME TO

COVENANT CHRISTIAN MINISTRIES ACADEMY

Covenant Christian Ministries Academy exists as a result of our mandate to fulfill our covenant relationship with God by assisting parents in rearing a godly seed (Deuteronomy 6:6, 7). This is accomplished in an educational environment in which His wisdom is the principle thing. As we promote a standard of excellence in all aspects of education, the quality of our program and the manner in which we equip and guide our students is accomplished in a way that pleases God. Our belief in God's word strengthens and allows us to impart its virtues and eternal benefits to others. The distinction of our beliefs is that all of them are Biblically based, as well as educationally oriented.

OUR MISSION

The mission of Covenant Christian Ministries Academy is to prioritize the wisdom of God first and include Him in every aspect of our lives, as we provide a quality academic program equipping students for higher learning and guiding them to a productive life in society.

School Scriptures

*The entrance of thy words giveth
light; it giveth understanding
unto the simple.*

Psalm 119:130

*Wisdom is the principal thing;
therefore get wisdom: and with all
thy getting get understanding.*

Proverbs 4:7

School Motto

Approve things that are excellent, being sincere and without offense till the day of Christ.

Philippians 1:10

OUR LEADERS

Our goal is to enable each student to realize his maximum potential. This entails providing quality academics while building a foundation of solid moral character through Biblical instruction. In order to realize this goal, we seek to hire staff who share our Christian worldview and have acquired the academic expertise to aid in developing each student.

The world is our mission field, and we relish the opportunity to positively impact lives, domestic as well as foreign. We focus on developing the leadership potential and God-given skillset of each individual. Well-rounded, problem solvers are needed to become the world changers that will shape our world. We invite you to become a part of what Covenant Christian Ministries Academy is doing!

Pastor Frederick T. Anderson, Sr.

WE BELIEVE

... in excellence in education.
(Philippians 1:10)

... that the wisdom of God is key,
and full understanding is obtainable
in every academic area.
(Proverbs 4:7, Proverbs 3:5, 7)

... that understanding and application
of Biblical principles enhance a student's
ability to succeed. (Psalms 119:130)

... that each student is created
in the image of God
and capable of success.
(Genesis 1:26, Philippians 4:13)

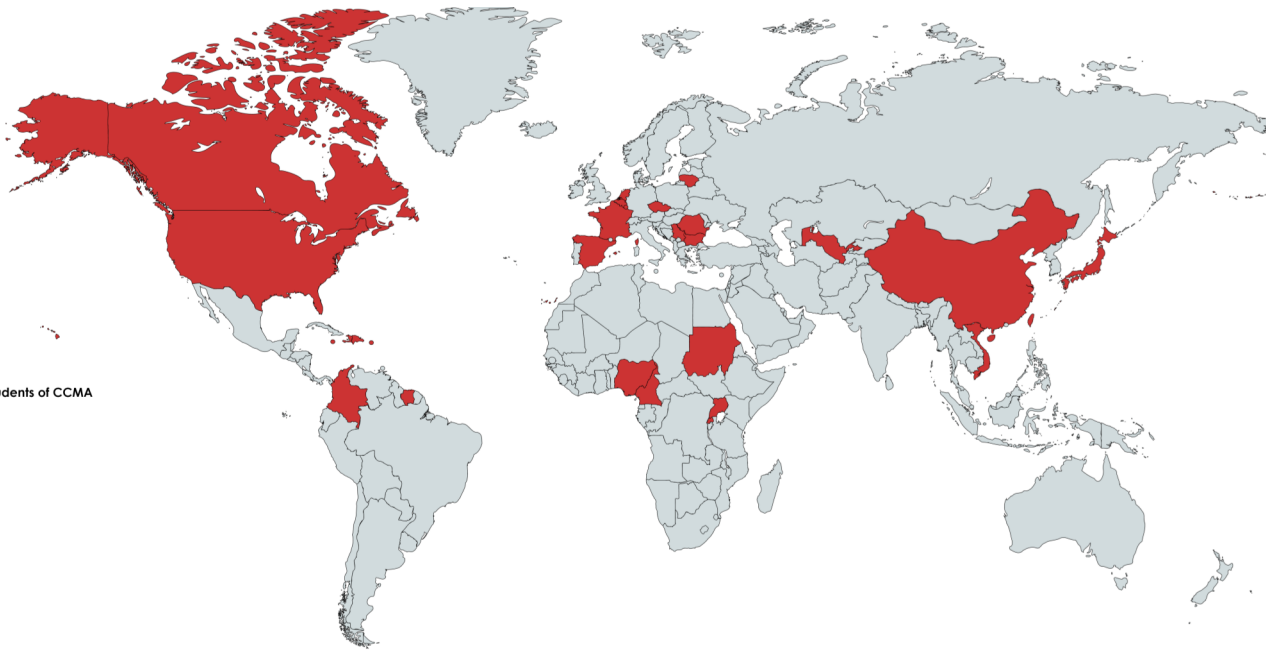

... that teachers are the
"living curriculum" and must exemplify
what they teach. (James 1:22)

... that education is a ministry to be
performed as unto the Lord.
(Colossians 3:23)

... in maintaining a high standard -
academically, spiritually, emotionally and physically.
(Philippians 3:14)

ACADEMICS

CCMA offers great opportunities for learning. Our classes are small enough to monitor the needs of each child. Spiritual emphasis is provided through daily Bible class, prayer, memory work, and weekly chapel.

In elementary, our academic training includes a phonics-based reading program, English, history, spelling, science, penmanship, math, literature, physical education, etc. Latin instruction begins in third grade for all elementary students.

At the middle/high school level, our goal is to prepare students for post-secondary education. Our core curriculum includes Bible, English, math, science, history, and foreign language. Latin instruction continues at this level. Other electives such as study skills, cultural literacy, philosophy, technology, apologetics, SAT Prep, and physical education are also made available. Advanced placement (AP) and honor's courses are also available to qualified high school students.

- **ACCREDITATION** -

Covenant Christian Ministries Academy is fully accredited by the Association of Christian Schools International (ACSI) and the Southern Association of Colleges and Schools/Council on Accreditation and School Improvement (SACS CASI).

ATHLETICS

Middle School/JV Sports

Students with an interest in sports are encouraged to train/tryout for various team sports. Tryouts are open to students in grades 5th - 10th. Age guidelines are provided based on the athletic conference of the given sport.

Varsity Sports

Students with an interest in sports are encouraged to train/tryout for various team sports. Tryouts are open to students in grades 8th - 12th. A student can play only one year as a senior. Students repeating their senior year would be ineligible.

Elite Team

This program was developed for the student with exceptional skills in basketball. Students in grade 10th and above are able to train/tryout for this team. Prospects must show the desire and potential to play this sport at an advanced, competitive level. Athletes who make this team have the potential to progress to Division I or possibly NBA status with development of their skills. Prospects must also possess the ability to effectively handle dual responsibilities due to the rigorous practice and game schedules. The game schedule requires travel on most Fridays and/or Saturdays during the season. This program has opened opportunities for foreign and domestic students.

Note: All sports teams may not be active each year. Presence/absence of the activities listed above is contingent upon number of students trying out and availability of qualified coaching staff.
